

SVGA PCIE PALIT GeForce RTX 3060 Dual 12GB  
GDDR6 192-bit NE63060019K9-190AD

Šifra: 5527  
Kategorija proizvoda: Grafičke karte  
Proizvođač: PALIT

Cena: **37.591,00** rsd.

|                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
